Chapter 1 by Aria

Try, Keep going, Never give up. All of the things I heard but what about leave me alone, youll never make it, just kill yourself already, you cant do it, no one cares, just give up already. These are the things Ive heard in the past few years but multiply it by 365 days, 7 days a week, 200 times a day. My dads are from Israel they adopted me when i was 4 and i dont know what i would do without them. People ask me how it is to live in a house with gay parents the same as it feels tp live in a foster home with 100 kids.
